Subject: Notice of the Apportionment for the Categorical Programs Per Average Daily
Attendance Allocation, Fiscal Year 2001-02

This apportionment, in the amount of \$67,831,000, is made from funds provided by Item 6110-485-0001(31) of the 2001 Budget Act (Chapter 106, Statutes of 2001). The amount apportioned to each school district and county office of education is based on fiscal year 2000-01 regular second period average daily attendance (ADA), multiplied by \$12.07645190. A detailed listing of the ADA for each school district and county office of education is listed on the apportionment schedule.

Funding provided in this apportionment must be expended for the purposes of one or more Proposition 98 educational programs specified in Section 12.40(b) of the 2001 Budget Act. A listing of eligible programs is enclosed. School districts and county offices of education must select the eligible program(s) in which they intend to expend the funds. The expenditures must be made in accordance with the laws and regulations governing the selected program(s).

The Categorical Programs Per ADA Allocation is included in the charter school block grant funding model pursuant to Chapter 6 (commencing with Section 47630) of Part 26.8 of the *Education Code*. Therefore, charter schools that are participating in the block grant will receive their funding for this program as part of the categorical component of the charter school block grant, which is allocated as part of the Principal Apportionment. Charter schools that are not participating in the charter school block grant funding model will receive their funding for this program through their chartering agency.

Warrants will be mailed to each county treasurer approximately four weeks from the date of this Notice. For standardized account code structure (SACS) coding, use Resource Code 7005, Mega Item Growth & COLA, and Revenue Object Code 8590, All Other State Revenue. For non-SACS coding, use Income Account 8590, All Other State Revenue. County superintendents of schools are requested to advise local educational agencies immediately of this apportionment.
